

Ballard Natural Medicine – Fee Schedule

*This is a list of our most common fees. Due to the holistic nature of naturopathic care, our visits often fall into the moderate/comprehensive or comprehensive categories for new patients and the detailed or comprehensive categories for existing patients. Fees are subject to change.

Fee, regular	- this is our fee for our most common services whether billed to insurance or directly to patient
-15%, TOS	- this is our fee for services paid for at the Time of Service (TOS), by cash, check or credit card
-30%, sliding scale	- this fee is available to patients paying at the time of service who earn under 400% of the federal poverty level. Please ask for details.
-50%, sliding scale	- this fee is available to patients paying at the time of service who earn under 200% of the federal poverty level. Please ask for details.
